## About Company

India International Exchange (IFSC) Limited (India INX), the first international exchange at GIFT IFSC, was inaugurated by the Hon'ble Prime Minister of India, Shri Narendra Modi, on Jan 09, 2017 and commenced its operations from Jan 16, 2017. The Exchange is regulated by the IFSC Authority. It offers investors 22 hours trading in a range of financial market products such as index and single stock derivatives, commodity derivatives, currency derivatives and debt securities. The Exchange, provides a state of the art electronic platform to facilitate trading, clearing and settlement of the widest range of global benchmark products across all major asset classes, including securities, equity derivatives, precious metals, base metals, energy and bonds. India INX's technology is the base of its business and a key contributor to the Exchange's functioning and development with a response time of 4 microseconds.
